

# Theology For Disciples

Theology for Disciples is a redesigned pathway for lay education at St Augustine's College of Theology. Inclusive of formation for licensed lay ministries, the programme encourages lay people of all backgrounds to undertake studies intended to inform and integrate faith into everyday life.

Opportunities for lay education can lead to qualifications at undergraduate and graduate level, with the possibility of specialisation in areas such as pioneer ministry or spiritual direction. The vision of Theology for Disciples is to emphasise the value of lay vocations alongside ordained ministry formation.

St Augustine's College offers classes in London and West Malling, Kent, with a schedule making part-time study possible alongside employment.
